www.4lcorp.com

4L Corp., Specializes in the exportation and provisioning of military and commercial aircraft, marine, and land forces with parts, hardware, equipment and components. We pride ourselves on our on-time delivery and quality products and services at competitive prices. 4L Corp was founded as a procurement source providing best value acquisitions in support of the USAF and RSAF Peace Sun FMS Program in Saudi Arabia. This entailed reviewing and proposing a diversified range of parts, hardware and equipment requirements providing logistical and other support services for F-15 Fighter Aircraft. Since then we have diversified into providing acquisition support for other military aircraft, marine and ground force applications.
